Dear Broward County Voter,

When you elected me as your Supervisor of Elections, I took great pride in fulfilling my campaign promises to you. One of those promises was making Vote-By-Mail ballot drop off easier and more accessible for our voters. Over the past 19 months, my team and I have worked to fulfill that promise by establishing 6 new permanent Branch Offices to drop off your Vote-By-Mail ballots. The feedback from Broward County residents on the opening of these additional offices have been overwhelmingly positive and we are grateful for your continuing support.

Unfortunately, my goal to offer more drop off locations outside of early voting days and times has been interrupted by forces beyond my control. I am sorry to inform you that, until further notice, we will no longer be able to accept Vote-By-Mail ballots at our 6 newest branch locations located at: Broward College South Campus, Miramar Branch Library, Northwest Regional Library, Tamarac Branch Library, Southwest Regional Library, E. Pat Larkins Community Center, except during the days and hours of early voting. On the back of this letter, you will find the currently available ballot drop off locations and times.

We apologize for any inconvenience to you and appreciate how fully engaged our Broward County voters have been this election.

Sincerely,

Joe Scott
Broward County Supervisor of Elections
